Hello cicifyre! I just wished to inform you I've used some of your sound effects in a game I'm working currently (it's in an early prototype state).

Thank you so much for allowing us to use your works, I simply adore the female voices in the pack, they're very adorable. Please keep the good work up! ^w^

Right On!! After many many sites and searches!! Plan on more? I'm looking for more lol. Also, what program did you use? I don't mind working like a dog and learning. Cheers!!! Keep up the great work.
